— **Success in All Sectors of the Construction Field**

As a leader in construction, LBL meets all clients' needs from concept to turnkey solutions for a wide range of construction requirements. These include large-scale projects such as:

● **Hotels and Resorts**

● **Schools and Hospitals**

● **Institutions and Airports**

● **Industrials and Infrastructures**

● **Commercials and Entertainments**

● **Office Buidlings**

● **Private Residences**

_ They Talk About Us

Awards and Recognition:

A multiple rewarded Company. During its history, LBL has been awarded many prizes, which **is the result of of outstanding and exceptional teamwork.**

2012: Excellence Prize from The French-Cambodian Chamber of Commerce.

2017: Cambodia Property Awards - Best Hotel Architectural Design.

2023: Finalist of Prize of Excellence organized by French Chamber of Commerce in the category Social Responsibilities.

CEO
Alain Brun

LBL carried out the full extension and revamp of our passenger facilities at the airport in Sihanoukville, Cambodia's main beach destination and growing commercial pole. LBL is a trustful partner whose mindset is excellence. Excellence and with the capacity of delivering it.

Founder
Roger Reynolds

We could not have chosen a more professional contractor than LBL. Both the staff at LBL's head office in Phnom Penh and the local team in Siem Reap, were comprised of some very talented, cooperative and eager individuals that accomplished some very challenging tasks.

Managing Director
Khong Weng Fook

LBL materialised our ideas through their creativity and expertise into our iconic office tower. The company put various design strategies into place, creating a state-of-the-art and contemporary headquarters for us, nestled in the bustling street of Monivong Blvd. Once again, congratulations to LBL on achieving such a significant milestone.

Chairman
Adrian Zecha

They were the builders for our Amansara property in Siem Reap which we developed over a period of three years, in two phases, both times beautifully, within budget and on time.

Head Of Delegation (KH)
Jean-François Cautain

Tight collaboration between LBL International, the architects and the EU delegation was carried out throughout the construction in a regular and effective manner. The LBL team were always available to deal with queries and I am sure this contributed in a big way to the success of the project.

Corporation Director
Keiichi Akita

I certify that LBL has always satisfied their obligation to Starts Hotel Emion, Phom Penh.

Chairman of the Board
Dan Pritzker

I will hire Thierry Loustau and LBL for our next expansion at JPA. Thierry came in on time and on budget for both the original construction of the school campus and for a significant addition we did two years ago.

Factory President
Seiichi Kobayashi

Overall, I am very satisfied with LBL's performance, attitude and measures taken to resolve the challenges we faced during construction. The company is known for its reliability and high quality works.

Senior Vice President
Kevin Roche

LBL has proven to be a valuable partner in our on time and budget delivery of this very complex and fast track project that was our new T Galleria Angkor.

— **They Recommend Us**

As satisfied clients, both repeaters and first-timers attest that LBL is the logical choice when taking on a construction project of any scale, from initial design to a worry-free budget-conscious completion.
